Dear

The National Docketing Association (NDA) was founded in 2011.

Every year the NDA sponsors a Conference which is designed to improve IP and Litigation Docketing Professionals' efficiency and effectiveness. The Conference educates these professionals in the latest best practices in technology, training, case management and policy and procedure to assist them in performing their jobs at the highest level. This year, the 9th Annual NDA Conference is being held at The Westin Copley Place, Boston MA. October 22<sup>nd</sup>-24<sup>th</sup>, 2023.

The NDA conference provides our members with two full days of professional development, education and networking sessions. Here is how one attendee explained the NDA's value:

"This is the most productive conference that I have ever attended. This is due to the relevance of the sessions to my position and being able to see the best technology being offered and meet Court Clerks and other Administrators from various courts and agencies around the country."

Average cost for the 2023 NDA Conference includes:

Registration:

Members - \$400 through July 28th, 2023; \$450 through September 22nd, 2023

Non-Members - \$450 through July 28th, 2023; \$500 through September 22nd, 2023

Hotel – hotel rates are \$359 plus tax per night

This educational opportunity is uniquely designed for docketing professionals. I encourage you to provide support so your staff can develop skills that will enhance your firm.
