Dear

The National Docketing Association (NDA) was founded in 2011.

Every year the NDA sponsors a Conference which is designed to improve IP and Litigation Docketing Professionals' efficiency and effectiveness. The Conference educates these professionals in the latest best practices in technology, training, case management and policy and procedure to assist them in performing their jobs at the highest level. This year, the 7th Annual NDA Conference is being held in Denver, CO, September 22-24, 2019.

The NDA conference provides our members with two full days of professional development, education and networking sessions. Here is how one attendee explained the NDA's value:

"This is the most productive conference that I have ever attended. This is due to the relevance of the sessions to my position and being able to see the best technology being offered and meet Court Clerks from various courts and agencies around the country."

Average cost for the NDA Conference 2019 includes:

Registration – Members - \$350 through July 15, 2019; \$400 through August 26, 2019

Non-Members - \$400 through July 15, 2019; \$450 through August 26, 2019

Hotel – hotel rates are \$209 plus tax per night

Meals – breakfast, lunch and 2 social functions are included. Average dinner cost is \$50 per night

This educational opportunity is uniquely designed for docketing professionals. I encourage you to provide support so your staff can develop skills that will enhance your firm.

Regards,
